Snowmobiler triggered avalanche, caught and injured

Date
Thu, 03/23/2023 - 08:05
Activity
Snowmobiling

From Ben Zavora at Beartooth Powder Guides on 3/23/23 at 11:00am: "Two guys stuck on slope next to chimney rock. SW aspect. Third guy rode to help and triggered the avalanche. No one buried. One rider broken tib/fib and possibly a femur getting life flighted out right now."

Region
Cooke City
Location (from list)
Daisy Pass
