Republic Creek Avalanches

Date
Mon, 01/29/2024 - 18:00
Activity
Skiing

Observed quite a few avalanches at the head of Republic Valley today. D1-D2. Range. Looked to be 2-3 days old on various aspects. primarily North-Northwest facing.

attached a few photos. Did not get a good shot of The headwall off Republic peak but that had also slid

Region
Cooke City
Location (from list)
Republic Creek
