Avalanche Lulu Pass

Date
Fri, 03/08/2024 - 16:40
Activity
Skiing
Snowmobiling

Saw this avalanche in the Rasta Chutes today, not sure if it was already sent in. Here is a picture from across the valley. The avalanche ran almost to the bottom of the chute, covering sled tracks heading into tradgenic.

Region
Cooke City
Location (from list)
Rasta Chutes
Observer Name
Jake Mundt
