

## Many small avalanches in Tepee Basin

Tepee Basin  
Southern Madison  
12/15/2021  
Code  
SS-N-R1-D1-O  
Aspect  
E  
Latitude  
44.90410  
Longitude  
-111.18500  
Notes

There were many natural avalanches that were breaking on facets near the ground (4-6mm). The 3 feet of snow that fell created unstable conditions and avalanched during the **HIGH** danger. Most slides were less than 100 feet wide. By GNFAAC.
