## **Collapsing in Hyalite**

Hyalite - East Fork Northern Gallatin 12/29/2023 Code Latitude 45.41000 Longitude

-110.93100 Notes

Skiers felt collapsing while touring near Heather Lake.

From obs: "I got one relatively large <u>collapse</u> as I stepped out in the open near Heather Lake, and then 5-6 smaller ones as I looped around above it."
